AM. LEGION PLAY SCORES A BIG HIT

EMPIRE THEATER CROWDED TO CAPACITY LAST NIGHT.

SECOND SHOW TONIGHT

Presentation Shows No Weak Characters or Acting—Wolfers and Deatherage Get Big Applause.

Anything as near perfection as the play "Johnny Get Your Gun" given last night by home talent at the Empire theater for the benefit of the James Edward Gray Post, American Legion, has never before been presented by Maryville artists.

It had all the snap, glitter, tuneful melody and witty lines that are needed to make a popular musical comedy and added to this some real action out of which is evolved the story of Johnny Dawson, a motion picture stunt man and a first class western product, and his dealings with an aristocratic, wealthy eastern family.

The theater was filled to capacity and the hearty applause of the big crowd left no doubt as to its reception and approval of the show.

The opening chorus was the "Flower Girl Ball" led by Miss Annette Simmons. Miss Simmons captivated the audience in her first stage appearance at the Oxford club play several weeks ago and registered a second conquest last night.

The "Bouncing Rubber Ball" chorus, with Miss Bess Scott, soloist in which the chorus "plays ball" with the audience, brought a storm of applause. Arch Carter sang "The American Legion" lead with a patriotic chorus which appealed strongly, and the "Back to Alabama" with Martin Lewis, Jr., as the soloist was not behind in popularity.

The prologue represented the interior of a motion picture studio in charge of Kenneth Carter as director. Screen celebreties were impersonated by Miss Marie Reuillard as Theda Bara; Miss Mabel Raines as Mary Pickford; Creston Maul as Charlie Chaplin and Margaret Dietz as Marguerite Clark. Johnny Dawson, the leading role was taken by Martin Lewis, Jr., who put himself in the first magnitude class by his acting last night. Others taking part in the prologue were Reed Tulloch, Emmet Bartram, Buster Strong, Miss Sallie Simmons, Miss Vera Braden and Byron Price.

Miss Reuillard and Miss Raines gave vaudeville interpolations in their parts, which were very true to the originals and cleverly executed.

Edward Russell, director of the play appeared in a between act specialty "Follow Me" with Miss Scott at the piano. Mr. Russell has been with the Montgomery & Stone and other big theatrical companies and his appearance on the stage was a surprise and delight to the audience as his act was not previously billed. He responded to three encores and to several curtain calls before the audience would cease its applause and allow the play to go on.

Merle Selecman and Miss Gladys Sewell in a "rube" vaudeville act won as much laughter by their costumes and acting as George Cohan on a "first nighter."

The story of the play was laid at the home of the Brown family in New York where Johnny Dawson, as a fake brother of Betty Brown, heiress, comes east to save Betty from marrying a duke, ends by falling in love with the pretty maid, saves Betty's money from a shyster lawyer and the heiress ends by marrying her real sweetheart, Von Blake.

A seasoned critic could find no place in the cast that was weak, or poorly staged.

Fred Wolfers as the butler and W. N. Deatherage as the duke, literally "mopped up" on applause at every appearance they made on the stage. Miss Scott was even better than usual last night as the society girl and she is always fine in any stage appearance. Mart Lewis as Johnny took the whole role with absolute ease and plenty of typical western ginger. Merle Selecman as the shyster lawyer showed ability much ahead of the amateur class and Miss Blanche Dow as the maid, a dainty bit of demureness, was perfect. Miss Gladys Bookman as a haughty grand dame and Kenneth Carter as the lover added the outraged dignity and romance of the story with the grace of professionals.

Wolfers and Deatherage made their first public appearance last night as stage stars and carried off the titles with capitals. The other main characters in the play have appeared in other plays and are always praise winners.

Mr. Russell gave a short curtain speech, explaining the purpose for which the play was given and expressed in behalf of the Legion Post the appreciation of the boys to those persons and firms who had aided in making such a success of the production.

A second presentation will be given tonight at the Empire. The proceeds are to be used for the upkeep and furnishing of the American Legion Post rooms.

METHODIST CHOIR TO GIVE CANTATA SUNDAY NIGHT

Will Present "Bethany" Which Was Announced for Easter Night and Postponed on Account of the Storm.

The cantata "Bethany" to have been given on Easter night at the First Methodist church, will be given by the choir Sunday night. The cauata was postponed on that night because of the storm.

This cantata is one of the most interesting musically, ever given in Maryville. The story is the incident of the raising of Lazurus at Bethany and the author and composer have portrayed all the emotions of the story with an exquisite variety of treatment.

The solo parts are taken by the first tenor of the Missouri Wesleyan college quartet, Cameron, who sings the role of Lazurus; Miss Jennie Garrett, soprano, in the role of Mary; Mrs. Fred Harvey, alto, who takes the part of Martha and Dr. G. S. Cox, baritone, who sings the part portrayed by Jesus.

PREDICTS THE GREATEST TRADE BOOM IN HISTORY

London, April 15.—"The world is six years behind in point of production and therefore one of the greatest trade booms in history lies before us," is the declaration of Colonel Cummings, president of the John B. Stetson Company, now visiting England.

"The United States especially is crying out for British goods, and there can be little fear of over-production for many years to come.

"At the same time the great financial authorities of America are taking a long and cautious view of the situation. Because trade is so good and money so plentiful, they do not want an era of wild speculation to begin. For this reason they have no intention of extending credit except on the most conservative basis.

"Americans feel that, considering the extraordinary sacrifices made by Great Britain in the war, her financial position is wonderful, and that once her war nerves are forgotten, she will speedily resume her old position."

Hearing of Strike Leaders Arraigned on Violation of Lever Act Set For April 24.

Chicago, April 16.—With thirty leaders of the switchmen's strike in Chicago under arrest, the warrants charging violation of the Lever act, railroad heads, brotherhood chiefs and federal officers today joined in the belief there will be a speedily ending of the strike in this district and consequently throughout the country. All of the leaders were released on the promise to do nothing further with the strike until after their hearing on April 24. It leaves the strikers leaderless and speedy return to work is forecast. The strikers, however, declared the government "did the worst possible thing by interfering." The freight traffic is expected to be practically normal today.

New York, April 16—Complete collapse of the illegal rail strike is believed to be near, following the ultimatum that the strikers must return to work by Saturday noon or forfeit their jobs and seniority rights. The immediate effect of the ultimatum was a considerable back to work movement among the strikers. Traffic is more nearly normal on all roads entering New York today than at any day previous since the walkout.

Chicago, April 16—The switchmen who rebelled against the union officers engaged in the strike here, are barred forever from the ranks of union labor today and branded by brotherhood heads as renegades and outlaws. Drastic action will be taken if the strikers fail to respond to the summons. A. F. Whitney, chief of the brotherhood of railway trainmen, is demanding they appear before him for trial.

Organize Daughters of 1812.

The preliminary organization of the United States Daughters of 1812 was formed at a meeting held yesterday afternoon at the rest rooms by a number of the women of this vicinity who were eligible to become members of the national society.

Mrs. Ed G. Orear is regent of the organization as her appointment was given her in December of last year by the state regent, Mrs. L. M. Ottofy. The other officers were elected at the meeting held yesterday and are Mrs. Charles T. Bell, vice regent; Mrs. Jesse Douglas, recording secretary; Miss Kate Willis, corresponding secretary; Miss Gertrude Wright, treasurer; Mrs. W. J. Montgomery, registrar; Miss Lucile Wright, historian. Mrs. W. E. Blagg, Mrs. C. T. Shelton and Miss Marie Wright were elected members of the board of directors who with the officers of the organization form the board of directors.

The chapter has been named the Benjamin Wright chapter as almost two-thirds of the charter members are decendants of Benjamin Wright. There are ten charter members.

The State regent, Mrs. Ottofy will come to Maryville the third week in May and will officially organize and install the officers elected yesterday. In order to organize a chapter with in the boundary of a state, there must be seven eligible members in one locality and must be organized under the authority of the state society of that state.

The Maryville chapter is the first one organized northwest of Kansas City in this state. The total membership in Missouri is about 600.

The object of the society is to preserve and increase knowledge of the American people, by the preservation of documents and relics, the celebration of patriotic anniversaries and especially by the emphasizing and teaching of heroic deeds in the civil and military life of those who molded the goverment of the United States and saved it from foes between the close of the American Revolution and the close of the war of 1812.

Appleby-Rogers.

Miss Melba Appleby, daughter of Mr. and Mrs. D. A. Appleby of this city, and Lester Rogers were married at 2 o'clock yesterday afternoon by Rev. J. E. Mrs. Rogers is a graduate of the Maryville High school and until a few months ago was an employee of the Graham store. Mr. and Mrs. Rogers will make their home on a farm northwest of Maryville. The groom is the oldest son of Lewis Rogers of near Maryville.

Bridge Party.

Mrs. Paul Sisson entertained the members of the Tuesday Afternoon Bridge club and a few additional guests yesterday afternoon at her home on North Frederick Avenue. The favor for high score was awarded Mrs. D. J. Thomas. Guests were invited for three tables. The out-of-town guests were Miss Nina Graham of Eureka, Calif., who has been a house guest at the Sisson home for the past week, Mrs. Paul Ream of Kansas City who is visiting at the home of her father, Joseph Jackson, Sr., and Mrs. W. F. Chaves of Dodge City, Kan., who is in Maryville for a short visit with her parents, Mr. and Mrs. W. C. Pierce.

OLD RESIDENT GIVEN UP BY PHYSICIANS.

"Given up by five doctors, my only hope an operation. I rebelled on cutting me open, as I am 75 years old. A neighbor advised trying Mayr's Wonderful Remedy for stomach trouble. I got relief right away. I had not eaten for 10 days and was as yellow as a gold piece. I could have lived only a few days but for this medicine." It is a simple, harmless preparation that removes the catarral mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—Maryville Pharmacy and all druggists.

THREAD RUBBER

CONTINUED chemical action weakens ordinary insulation so that it has to be renewed at least once during the life of the battery. Threaded Rubber Insulation is different. The rubber retains its valuable insulating properties clear to the end of the life of the battery, so that the user can forget that insulation trouble ever existed.

TORPEDOED!

Don't blast your Liver and Bowels, but take "Cascarets."

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, grassy, disordered stomach and colds.

Are you keeping your liver and bowels clean with cascarets, or shocking your insides every few days with calomel, salts, oil and violent pills?

Cascarets work while you sleep; they cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. Cascarets never gripe, sicken or cause inconvenience and Cascarets cost so little too. ADV

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c.
